Subject: Gulfco Final BHHRA Files - Group 1

Hi Gary –

The Baseline Human Health Risk Assessment (BHHRA) has been finalized as requested. I am sending you sections of the Final BHHRA as .pdf files. I am going to need to send these in 7 e-mails due to the size of the files. Hard copies of the complete Final BHHRA report will be delivered to you and others tomorrow, except that the TCEQ copies will be delivered this afternoon. A CD with the Adobe files for the entire report will be enclosed with your copies. With this first e-mail, I am attaching the report transmittal letter and the responses to comments attached to the letter. Please let me know if you have any questions or difficulties accessing these files.

Thanks.
